Summer Term 2024

Friday 10th May

LIFE IN ALL ITS FULLNESS

Dear Parents and Carers

We have had a fantastic start to this half term. With so much happening over the summer term, please do take the time to read and digest the contents of the newsletter and the diary dates.

May is the month of statutory tests for primary schools. Kicking off with our wonderful Year 6 children. All of our children have worked incredibly hard to be ready to show off everything that they know. Despite the SATS not measuring the endless qualities that your children have, after all of their hard work, they are ready for the challenge!

SATs don't measure sports, SATs don't measure art

SATs don't measure music, or the kindness in your heart

SATs don't see your beauty, SATs don't know your worth,

SATs don't see the reasons you were put upon this earth.

SATs don't see your magic, how you make others smile,

SATs don't time how quickly you can run a mile.

SATs don't hear your laughter, or see you've come this far;

SATs are just a tiny glimpse of who you really are.

So sitting at your table, with a pencil and your test,

Remember SATs aren't who you are, remember you're the best.

[Here](#) is a short video clip which captures all the above perfectly!

Wishing you all a wonder filled weekend!

Mr T. Whitehead

Interim Executive Headteacher

Parent Governor Vacancy —We currently have a vacancy for a parent governor and nominations are now open. If you feel you could make a difference, have the necessary skills and attributes to work along other like minded individuals in the best interests of the school then please do consider applying. Further details have been emailed to all parents today.

Supporting your child through SATs

Next week, Year Six will be taking part in their end of Key Stage Two assessments (SATs). As a school, we try to make sure that the children are prepared to deal with this experience and try to make the week as fun as it can be! However, children may still experience worries about the tests.

Ways that parents can help:

- Make sure that your child arrives at school promptly so they can take part in the morning activities.
- Try and encourage an early night before the tests.
- Speak to Miss Sanderson with any concerns or queries.
- Celebrate all the achievements your child has made this year; whether this is in relation to the tests or an out of school hobby.

Year 4 Multiplication Check

Year 4 children will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

What is the multiplication tables check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

What if my child cannot access the check?

There are several access arrangements available for the check, which can be used to support pupils with specific needs. Your child's teacher will ensure that the access arrangements are appropriate for your child before they take the check in June. The check was designed to be inclusive and accessible to as many children as possible, including those with special educational needs or disability (SEND). However, there may be some circumstances in which it will not be appropriate for a pupil to take the check, even when using suitable access arrangements. If you have any concerns about your child accessing the check, you should discuss this with Mrs Speak.

Year One—Phonic Screening Check

W/C 10th June 2024

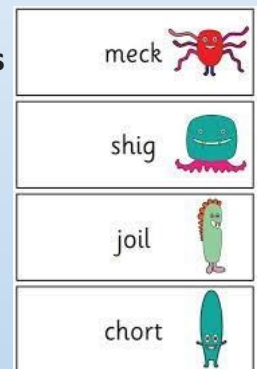

The phonics screening check is a test that Year One pupils in England are required to take.

The test is a statutory assessment that confirms whether or not pupils have met the expected standard in phonic decoding - and can reveal which pupils may need additional support.

The check contains 40 words divided into two sections of 20 words. Both sections contain a mixture of real words and pseudo-words ('alien words' - which are phonically decodable but are not actual words).

Teachers administer the check one-on-one with each pupil and record whether their response to each of the 40 words is correct. Each pupil is awarded a mark between 0 and 40.

Please speak to Mrs Hayes or Miss Hodgson if you have any questions.

Year 3 Fair Trade Chocolate Day and Open Classroom

Linked to our learning on the Maya and Chocolate, we have organised a Fair-Trade Chocolate Day, in school on **Tuesday 21st May**. The children will have a day packed full of crafts, games, cooking and of course, a bit of chocolate!

We will be playing some outside games and as it's their usual PE day, please can they wear appropriate PE clothing. To fit with our theme, if the children wish, their PE clothing can be in the Fair-Trade colours of blue and green.

Parents and carers are warmly invited to join us at 2.40pm on the day for our open classroom.

Parent / Carer e safety online safety Zoom session—Recorded Link

I have been made aware that some parents could not access this session this week so the recorded session and slides can be accessed [here](#).

In partnership with Knowlsey City Learning Centre, all parents and carers are invited to an Online safety information session. During this session you will receive updates on the current trends, look at the risks associated with using technology, receive suggestions on how you can support your child online and find out what further support is available.

Kildwick Fell Race—Thursday 23rd May— *Please note change of date*

Mr Whitehead is the organiser for the Kildwick Fell race and this year it will take place on **Thursday 23rd May**. There will be a full set of races open to all children (not just children from our school) aged 6 and over starting from **6.30pm**. I will be sending all parents details and registration forms in book bags and via email over the coming weeks. These need to be filled in and brought to registration at the White Lion on the night. **Registration will open at 5.30pm**. The adult race will start at **7.30pm**, is 3.5 miles and will be fully flagged and marshalled. It would be brilliant if we could get some of our running parents racing. It is a great route and I would be happy to show any prospective parents the race route. Please get in touch if you would like to know further details. The photo below is from near the back of a fell race (High Cup Nick) that I took part in last month. The PTA (Kildwick) will be serving refreshments and any help with this would be appreciated. If you would like to support with marshalling the fell races, then please do get in touch with the school office. Thanks.

Dear Parents

Our school is taking part in Walk to School Week (20-24 May). The nationwide event is organised by walking charity Living Streets and designed to help pupils experience first-hand the importance of walking to school. Children will be well on their way to reaching their recommended minimum 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life.

This year's challenge, 'The Magic of Walking', encourages children to travel actively to school every day of the week. Meeting various magical beings along the way, they'll learn about the important reasons to walk and the difference it can make for individuals, communities and the planet! Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or park and stride) to school every day for one week using the wallchart and stickers to log their journeys. Each class will work collectively to make as many active journeys to school as possible across the week. Individual activity diaries, daily stickers and end of week pupil rewards will complement this activity, reinforcing the benefits and keeping children engaged.

What do I need to do as a parent/carer? We would ask, if possible, to make arrangements so that your child/children can travel actively to school on week commencing 20th May, helping our school reduce congestion and pollution around the school gates. In return, your child will earn special stickers and a reward trophy! Walking, wheeling, scooting and cycling all count! If you live far away from school and need to drive or take public transport, try parking the car or hopping off the bus/train ten minutes away and walking the rest of the journey.

Thank you in advance for your cooperation.

Smartphone Free Childhood has grown rapidly since it began in February and now has over 80,000 members. As you can see from the results, the response to the idea of an Embsay School parents pact has been very positive.

Smartphone Free Childhood's current pact process is to create a school WhatsApp group which acts as a pact. As the majority of Embsay parents said they would prefer updates via email rather than joining a WhatsApp group, we looked at creating our pact another way. Delay Smartphones, an organisation working with Smartphone Free Childhood, has their own pledge tech on their website which is very user-friendly so we've decided to use that for Embsay's pact.

Please join us for a parent workshop hosted by Dr. Susie Davies, Bristol GP and founder of PAPA YA. Dr Davies will discuss the mental health problems associated with social media and smartphones and then share powerful and practical solutions for your community. This will be followed by breakout rooms for local schools to discuss solutions and ways you can move forward as a community.

Schools up and down the country are creating pacts- Bristol has over 80 school pacts to date. We are the first school in the North Yorkshire area to create a pact and are aiming to get other local schools involved too. If you'd like to be involved in raising awareness in the local area, we'd appreciate your help. Please email school FAO Miss Hodgson and someone from the SFC team will be in touch.

If you are interested in finding out more, Susie from Papaya has agreed to run a workshop for North Yorkshire via zoom on 21st May! Please click the link to register your interest. There are limited spaces so make sure you register beforehand. Please share with all your school groups, friends and family members. All welcome.

The workshop will cover the following information:

- Cyber security, safety and how to set up restrictions
- How to teach and support children in using smartphones and social media in a positive way
- Child development in relation to social media and phone usage
- How to reduce screen time as a family
- It's never too late to start setting up limits on your child's phone

Smartphone Free Childhood is a grassroots movement of parents who believe childhood's too short to be spent on a smartphone

We're on a mission to

01.

Bring parents together to start new and positive conversations about the problems of smartphones in childhood

02.

Empower parents to take collective action in their local communities - agreeing to delay giving their children smartphones until at least 14

03.

Demonstrate that parents are demanding change at scale, and therefore force the government and tech companies to act

Why we're doing this now

We've been put in an impossible position by the tech companies. It's a lose lose - either allow our children access to something all the evidence tells us is damaging, or say no and risk alienating them among their peers at a crucial stage of their social development. **We believe something needs to change, and it starts with all of us.**

Reception Dressing Up Day!

We are planning to have a dress up day for Reception on **Tuesday 21st May**. As part of our learning about growing, we are asking children to come dressed as what they want to be when they grow up. Please don't feel you need to go out and buy a costume for this, we are just focusing on giving the children the opportunity to talk about different things they could be when they are older and think about the different jobs of people around them. Any creative/make do dressing up will be perfect!

Any questions, please just let me know!

Miss Falkner

Dear parents/carers,

UWS 'Big Dig'**Monday 22 July – Friday 26 July 2024**

We are delighted to invite your child to participate in the 2024 Archaeological Big Dig! The event runs from Monday 22 – Friday 26 July.

The Big Dig is a 'Time Team' type activity coordinated by a local archaeology group 'Cravenology'. Students work alongside archaeologists in discovering the history of a particular site. This year the Big Dig will be located at **Netherside Hall** – a former Victorian hunting lodge, where we hope to uncover more of its past and hopefully find interesting artefacts along the way.

The Big Dig is aimed at young people aged 10 - 16 and is open to all children in the local area. Your child will be actively involved in all aspects of the excavation such as digging, cleaning, identifying and recording artefacts as well as surveying, drawing, photographing and much else besides.

In addition to the dig, there will be other activities to participate in, such as nature and fossil hunts, arts and crafts, bushcraft, archery, axe-throwing and shooting!

The 'Big Dig' has run for 14 years and the feedback from participants has always been very positive. For students joining UWS in September it is a great opportunity to make friends with existing students and to meet other new starters along with some of our staff. For those with an interest in history and archaeology it is a unique opportunity to practice 'hands on' history in the company of real archaeologists.

The cost is **£40 per day** and includes mid-morning snacks and drinks. You can book your child on the Big Dig for a week or as little as one day.

All participants must bring along a packed lunch and clothing suitable for outdoor activities (some of which can be very muddy.) The day begins at 9:30 and finishes at 15:30. As always, a good standard of behaviour is expected. Students will lose their opportunity to continue attending if members of staff feel a student's behaviour is unsafe and/or unacceptable.

Page | 2

If you would like to book a place, please email me directly on jmitton@uws.n-yorks.sch.uk to request a booking form. Places are limited to 15 participants per day so early booking is advisable. **Payment details will be sent out upon receipt of booking forms.**

If you would like more information, please do not hesitate to contact me.

Best wishes,

Mr Mitton

EMBSAY CofE (VC) PRIMARY SCHOOL TAEKWONDO AFTER SCHOOL CLUB

Hi.. I'm Charlotte, 4th Dan black belt and Master in Taekwondo, I am a mum of 2 primary aged children and run a Taekwondo club in Skipton. I am an experienced Martial Arts instructor, having being practicing Taekwondo most of my life and teaching for 15 years.

Does your child get bored with the usual PE activities? Do they have lots of energy to burn?

Why not move away from the traditional football, rugby, cricket and try Taekwondo? Appealing for both boys & girls alike.

Taekwondo is excellent for fitness, flexibility, confidence, for stress & anger management

This is a complete beginners course and no experience is necessary to come and have a go!

TUESDAYS AFTER SCHOOL - 4.20pm finish

Open to KS2 Classes at Embsay Primary

£5 per session, per person.

Bookable by term.

To book, please email me directly.
