

**Embsay
School**

Embsay Echo

Spring Term 2024

Friday 15th March

LIFE IN ALL ITS FULLNESS

Dear Parents / Carers

It has been great to see so many parents visiting school this week for the various events that have been happening. We look forward to welcoming you all into school again next week for our parent consultation events. Mrs Hopwell, will be joining the administrative team on Tuesday and we wish her all the best for a smooth induction into the office at Embsay.

Have a lovely weekend ahead!

Mr T. Whitehead

Interim Executive Headteacher

Parent / Carer Consultations

W/c Monday 18th

Thank you to all parents and carers who have booked to see teachers next week. To help things run smoothly, we would ask that you remain conscious of the ten minute appointment slot. Teachers will be doing their best to stick to the allotted times—**please do your bit by allowing the meeting to finish on time and leave promptly.** We would ask where possible children do not attend these sessions but do understand if this is not possible. Teachers consistently give the children feedback in school—this is an opportunity for teachers to consult with parents. Sometimes it can be difficult to discuss more sensitive matters with children present. If you do need to bring your child, we will encourage older children to wait outside the room.

Don't forget
parents
evening!

PTA Easter Update

Many thanks for all your kind donations of Easter Eggs/Easter themed sweets last Friday. We are still a few Easter Eggs short; if you would still like to donate something please can this be brought into school on Monday 18th March ahead of the raffle.

Raffle tickets are available to purchase on ParentPay - 1 prize for each child is guaranteed. Any surplus eggs will be donated to Homeless not Hopeless.

SATs Information Session

On Wednesday 10th April, at 6pm, Miss Sanderson will be hosting a short SATs information session for parents of children in Year Six.

Reminder: SATs week is Monday 13th May - Thursday 16th May.

Attendance — Every School Day Counts

It has been proven that regular attendance at school makes a difference to your child's success in life. Children who do not attend school regularly are more likely to:

- Fall behind with their work
- Find it difficult to keep and maintain friends
- Be unhappy at school

Our Attendance for last half term is **97.23%** and our target is to be above **98%**. Please help us to reach this target, by ensuring your child attends every day. Please see attendance from last half term for each year group.

If we do contact you about your child's attendance please be assured that this is only because we have your child's best interests at heart and we want to support all children to be happy and succeed.

Reception	97%
Year 1	97%
Year 2	96%
Year 3	97%
Year 4	97%
Year 5	97%
Year 6	96%

Safety Reminder

What do grapes and mini eggs have in common?

You may have seen this post on social media from the Child Accident Prevention Trust—we thought we should share as a reminder.

What do whole grapes and mini eggs have in common?

They're both the perfect size and shape to completely block a child's airway. And, due to their texture they can be difficult to dislodge with standard first aid techniques.

With whole grapes we advise cutting them in half lengthways and ideally into quarters to create thin strips. But chopping up mini eggs isn't as easy. So, what can you do?

1. Hide them from the children and eat them yourself – good luck with that!
2. Put the mini eggs into a sealable plastic bag and smash them into small pieces with a rolling pin. Or, crush them in a pestle and mortar.
3. Opt for a different treat. Larger, hollow eggs are much safer for little ones.

Open Classroom Reminder

You are warmly invited to attend the following open classroom event next week

Year 1—Thursday 21st March—
2.45pm

Governor Meetings

For information, Emsbay CE VC Primary School governor meetings will take place on the following dates:

9th May 2024—Curriculum Committee Meeting

18th July 2024—Full Governing Board Meeting

North Yorkshire Primary Cross Country Final

On Tuesday 12th March, six of our pupils made the journey to Giggleswick for the North Yorkshire Primary Cross Country Final. The courses were undulating and VERY muddy; all pupils showed huge grit and determination. Three of our athletes lost shoes in the final bog but, unbelievably, managed to complete their races without shoes on both feet!!

Billy - 1st Year 3 boy

Clara - 4th Year 4 girl (lost a shoe!)

Adam - 18th Year 4 boy

Ellie - 5th Year 5 girl (lost a shoe!)

Jaya - 9th Year 6 girl

Coby - 4th Year 6 boy in an impressive sprint finish (lost a shoe!)

REMINDER!! Anglo Saxon Day—Year 5

As part of our Anglo-Saxon topic this half-term, Year 5 will be having an Anglo-Saxon Day on **Thursday 21st March**.

We will be reciting plays and stories the children have written and sampling some Anglo-Saxon cooking. Known allergies and dietary requirements will be taken into consideration.

The children are invited to dress as Anglo-Saxons if you/they wish. This could be done by simply wearing a very large t-shirt, or even a hessian sack with holes cut in, over trousers or shorts with a string, fabric or leather belt over the top. A cloak could also be made from a blanket. Perhaps last year's Egyptian day costumes could be adapted slightly to look more Saxon! Please see the images below, or last year's pictures on the website for inspiration.

If you have any more questions regarding the Anglo-Saxon day, please do not hesitate to contact Mr Hardman.

Parent Forum SPR 2 2024 - Wednesday 13th March - A Summary

At Emsay Primary School, we value parental feedback and engagement with the provision and issues affecting SEND across the school. Given the recent changes in SEND Leadership this year, we also feel it is vital that we reach out to the wider school community, building new bridges and affording parents and carers the opportunity to meet staff and understand who is responsible for the SEND provision at Emsay.

To do this, I organised a SEND Parent Forum on Wednesday 13th March at 9am. This was to give you the opportunity to ask those questions and provide feedback on our SEND Provision.

I appreciate not everyone was able to attend at that time, however the information I shared can be found [here](#).

(<https://www.emsabay.org/learning/special-educational-needs-send/send-parent-forums>).

SEN Updates / Parent Forum Summary

As part of the Forum, we asked for your views, questions and ideas...

We asked:

Are you aware who our SENCo is?

What questions do you need answering?

You would like to know more about how we intend to provide for SEN children as part of After School Clubs and how we intend to cater to their needs through smaller group sizes and sensory awareness for example, but which would still encourage social interaction and development.

We couldn't agree more. Building relationships across our pupil cohort is incredibly important to us: we have recently supported the development of a pastoral arts and crafts group to help Mrs Smith decorate the Emsay Rabbit which will form part of an exhibition throughout Skipton.

This term alone has seen an increase in the number of after school clubs taking place, including Taekwondo, STEMsabay Coders and Rugby, however we acknowledge the need for providing clubs to those who may struggle with the idea of mixing in large groups or with heightened sensory impact. We are looking into this and are more than happy to take suggestions from parents and children alike. What would you like to see happening after school at Emsay?

How do you rate our SEND Provision up to now...?

How do you feel in terms of how well our SEND Provision looks moving forward? 9 1/2

What is it about our SEND Provision moving forward that makes you feel confident or otherwise?

- You've told us that you see a rise in our understanding of additional needs.
- You feel progress is being made.
- You see our provision evolving.

Can you provide us with any other feedback or suggestions about our SEND Provision?

- Communication has been inconsistent at times and information not always passed on accordingly or responded to. It would be good to know that we are effectively using an improved system to record shared information that all staff can access.
- You have suggested we could broaden external links even further, making connections with SENDIASS.
- You would like to see us reaching out to parental support groups.
- Providing you with greater support in completing applications for help with outside agencies would be useful.
- We could update the information we provide about additional provision in the community for children with additional needs - and where they are located.
- You'd like to know where you can find groups, activities or holiday activities which provide support with SEN aware staff, and you'd like us to help refer you to these services if we can.
- You'd like to know more about local services offering mental health support for children to avoid long waiting lists.
- Do you have a choice when it comes to referrals for diagnosis - you'd like to know this.
- When are we going to provide Pastoral Support like we used to offer with our Communication and Pastoral Lead prior to her leaving - you miss this considerably.
- During the meeting, it was also suggested that we have a way for parents to alert us to a concern for their child via the school website - a way of initiating an Expression of Concern. We love this idea and will get moving on it asap, thank you.

Thank you for all your questions, suggestions and feedback.
Here are our responses at this stage:

We use CPOMs (Child Protection Online Monitoring System) to record all communications regarding SEND and other matters. This has always been used, but not as effectively as it could have been. We have changed this, and all documentation received relating to your child's SEND needs will be recorded onto this system. We have also worked back to upload previously received reports - this has taken time, as you can imagine, but we are getting there, and it has seen a huge improvement. We are in the process of ensuring all staff can access this. We now also have an incident log to report any issues arising through the day that require a rag rated action and response.

We are in the process of updating our SEND Information Report which will contain links to many of the above suggested services and I have been actively using SENDIASS to support the guidance we give to parents. I have not yet made direct communication with a representative but will certainly look at the possibility of this.

As we all know, waiting lists for referrals and assessments are hitting an all-time high. This is something of an issue we are facing nationally. That said, there are some companies who offer to take referrals for children based on the NHS Choices system. This is another aspect of SEND Provision I am looking at and, through the advice of some outside agencies, I am beginning to build a list of services available. This will be added to our Information Report as well as our Emsay Echo.

The SLT have met to discuss my aims for our Whole School Provision Map which would include specific intervention time for small groups and 1:1 children, delivered by an Intervention Lead and overseen by the SENCo. We would also like to have a Pastoral Lead in place to undertake small group and 1:1 sessions and interventions with those children who need additional pastoral care and support. We are looking at how both plans can work with current staffing and timetabling to make sure when we do implement them, it is done so as efficiently and effectively as possible and providing the most impact.

E safety News—Please take the time to read the online safety Newsletter sent out to parents regularly and have a quick read of the information below. We will add a new poster here each week.

Online Safety & Gaming

Gaming refers to playing electronic games, whether through consoles, computers, tablets, smartphones or other devices. Gaming remains one of the most popular forms of entertainment, attracting a wide range of age groups from all across the world. Gaming is always looking to develop, often improving on graphical features, accessibility and user engagement as years go by.

Unlike many other forms of media, gaming brings a sense of challenge to the player. Usually there is a degree of skill involved that players need to develop in order to progress. Depending on the type of game, it can also offer players a platform where they can be imaginative and explore their own creativity.

Some games have rich storylines and characters that are engaging and memorable. Many players also use it as an opportunity to compete and socialise with other users whether it be in person or online. More often than not though, people game, because it is fun!

Benefits of Gaming

- 1 Can develop critical and creative skills
- 2 Can bring educational benefit and awareness
- 3 Is available to most audiences and family members
- 4 Is an easy and accessible way to socialise with others

Considerations for Gaming

- 1 Have awareness of appropriate age restrictions
- 2 Parental awareness around purchasing
- 3 Active discussions around socialising safely
- 4 Reporting harmful or offensive content online

Socialising Online

A staple of gaming is the community that surrounds it. Groups and audiences can gather around a specific game, character or theme to build specific fan bases that can interact with each other. Young people may like to socialise online because:

- 1 It gives them a platform to be with friends outside of school
- 2 There is usually a competitive element at play, which can feel rewarding
- 3 It can build confidence and social skills which may not be attainable physically
- 4 It gives opportunity to young people who have difficulty socialising with friends and others

Reporting and Blocking

Gaming communities can range from supportive and educational, to toxic and harmful. In some instances, it can even lead towards more radical content being promoted. When faced with something or someone being harmful online, make sure young people know how to:

- 1 Report the player or piece of content
- 2 Mute or block the player
- 3 Manage their privacy settings or communication options
- 4 Speak with a trusted adult for support

Community Sporting Activities

Do you enjoy **running & swimming?**

Are you aged 8-18 and thought you might **give triathlon a go?**

Not sure how to start? Then try the **LBT 2024**

Junior Aquathlon

Sunday the 2nd of June at Leeds University

An aquathlon is a swim followed immediately by a run and the perfect introduction to multi-sport events. The swim takes place in the Edge, a 25m heated indoor pool and the run is on a closed circuit round the university campus with electronic chip timing. This is a great event for all abilities to get involved in the sport from first timers, to athletes who hope to compete for the region. (The race is part of the Yorkshire Junior Triathlon Series). The day is organised by Leeds and Bradford Triathlon Club.

Your age on the 31st December 2024 determines your age-group.

Age Group	Swim Distance	Run Distance
8 years (Tristar Start)	50m swim	600m run (1 lap)
9-10 years (Tristar 1)	150m swim	1200m run (2 laps)
11-12 years (Tristar 2)	250m swim	1800m run (3 laps)
13-14 years (Tristar 3)	400m swim	3000m run (5 laps)
15-16 years (Youth)	400m swim	3000m run (5 laps)
17-18 years (Junior B)	400m swim	3000m run (5 laps)

Prizes are awarded for the first three male and female in each age group.

All finishers receive a Medal and Goody bag.

No previous experience is required only equipment are trainers and a swimming costume!

This event sells out every year weeks so enter quickly!

21 - 23 March
£11.00 - £70.00

About this Event

Facebook | 0

Join Peter, Susan, Edmund and Lucy, four young evacuees from war-torn London, as they enter through a wardrobe to the magical land of Narnia where fawns, nymphs and dryads roam, trees listen and the evil White Witch turns her enemy's to stone! Follow the four children on their adventure to defeat the witch and free Narnia from its eternal winter with the help of Aslan, the great and mighty lion.

C.S. Lewis' story is loved by children and adults the world over and is brought to life in WTA's production through physical theatre and an eclectic variety of dance accompanied by enchanting. Step through the wardrobe with us on this magical adventure.
