Summer Term 2024

Friday 17th May

LIFE IN ALL ITS FULLNESS

Dear Parents and Carers

This half term seems to be running away with us and it will soon be half term. Our wonderful Year Six children have completed their SATS tests this week. You have put so much work into getting yourselves ready for these tests throughout your time in Key Stage Two. We see, on a daily basis, how hard you try and how much effort you put into all areas of school life. As we told you last week, you are more than a score! More from Miss Sanderson on this on the pages below.

It has been Mental Health Awareness Week with the theme of 'Movement: Moving More for our Mental Health'. Within our PSHE lessons this week, classes have been thinking about how to look after their mental health. Our bodies and our minds are connected, so looking after ourselves physically also helps us improve our mental wellbeing. I know for many people (myself included), exercise is an important stress reliever. It also helps us connect with other people, another important way of improving our mental wellbeing. Research has shown, that equipping children with the strategies for boosting their mental wellbeing, will give them the resilience to cope with the ups and downs of life. In the busyness of life, please do take a moment to 'connect' with each other!

Next week, you will receive the end of half term round up containing all of the exciting learning that has been happening in and out of school.

Have a wonderful weekend ahead

Mr Tim Whitehead

Interim Executive Headteacher

Parent Governor Vacancy — We currently have a vacancy for a parent governor and nominations are now open. If you feel you could make a difference, have the necessary skills and attributes to work along other like minded individuals in the best interests of the school then please do consider applying. Further details have been emailed to all parents and is on the website.

A Message from Miss Sanderson and the Year Six staff team.

A MESSAGE FOR YEAR 6...

Not so long ago, you came into this classroom for the first time, visiting as eager Year 5s. "Does anyone have any questions for me?" I asked, as our visit came to a close...

"Will we have to do Year 6 SATs?" Many of you asked, faces peering at me with a mix of excitement and trepidation.

"Yes..." I replied. "Unfortunately, we do. But you know what? You'll be amazing and it's not something you need to worry about now - or even then!"

Since that day, I've told you many times how incredibly talented you all are in so many different ways. The SATs are a measure, not of you, or for you... But a measure of my performance in teaching you.

I hope I've done a good job, but to be honest, more importantly, I hope you know just how valued, unique and wonderful you all are. If I've made sure you all know that, then that's all that matters...

You have been simply brilliant this week. Absolutely fantastic and I couldn't be more proud of each and every one of you.

And remember...

"The moment you doubt whether you can fly, you cease forever to be able to do it." (Peter Pan by J.M. Barrie)

So whatever you do, don't forget, you can fly.
Keep being amazing... Keep being You.

Listen to the mustn'ts, child. Listen to the
don'ts. Listen to the shouldn'ts, the
impossibles, the won'ts. Listen to the never
haves, then listen close to me. . . Anything
can happen, child. Anything can be.

Year 3 Fair Trade Chocolate Day and Open Classroom

Linked to our learning on the Maya and Chocolate, we have organised a Fair-Trade Chocolate Day, in school on Tuesday 21st May. The children will have a day packed full of crafts, games, cooking and of course, a bit of chocolate!

We will be playing some outside games and as it's their usual PE day, please can they wear appropriate PE clothing. To fit with our theme, if the children wish, their PE clothing can be in the Fair-Trade colours of blue and green.

Parents and carers are warmly invited to join us at 2.40pm on the day for our open classroom.

Year 4 Multiplication Check

Year 4 children will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

What is the multiplication tables check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

What if my child cannot access the check?

There are several access arrangements available for the check, which can be used to support pupils with specific needs. Your child's teacher will ensure that the access arrangements are appropriate for your child before they take the check in June. The check was designed to be inclusive and accessible to as many children as possible, including those with special educational needs or disability (SEND).

	x	1	2	3	4	5	6	7	8	9	10

However, there may be some circumstances in which it will not be appropriate for a pupil to take the check, even when using suitable access arrangements. If you have any concerns about your child accessing the check, you should discuss this with Mrs Speak.

Year One—Phonic Screening Check

W/C 10th June 2024

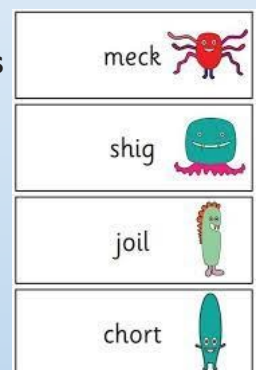

The phonics screening check is a test that Year One pupils in England are required to take.

The test is a statutory assessment that confirms whether or not pupils have met the expected standard in phonic decoding - and can reveal which pupils may need additional support.

The check contains 40 words divided into two sections of 20 words. Both sections contain a mixture of real words and pseudo-words ('alien words' - which are phonically decodable but are not actual words).

Teachers administer the check one-on-one with each pupil and record whether their response to each of the 40 words is correct. Each pupil is awarded a mark between 0 and 40.

Please speak to Mrs Hayes or Miss Hodgson if you have any questions.

Kildwick Fell Race—Thursday 23rd May— *Please note change of date*

Mr Whitehead is the organiser for the Kildwick Fell race and this year it will take place on **Thursday 23rd May**. There will be a full set of races open to all children (not just children from our school) aged 6 and over starting from **6.30pm**. I will be sending all parents details and registration forms in book bags and via email over the coming weeks. These need to be filled in and brought to registration at the White Lion on the night. **Registration will open at 5.30pm. The adult race will start at 7.30pm**, is 3.5 miles and will be fully flagged and marshalled. It would be brilliant if we could get some of our running parents racing. It is a great route and I would be happy to show any prospective parents the race route. Please get in touch if you would like to know further details. The PTA (Kildwick) will be serving refreshments and any help with this would be appreciated. If you would like to support with marshalling the fell races, then please do get in touch with the school office. Thanks.

Fell Race 'Recce' - Wednesday 22nd May 6.45pm

For anyone that is interested in taking part in the adult fell race then I will be running / walking the route on Wednesday 22nd May, setting off from The White Lion in Kildwick at 6.45pm. You are more than welcome to join me and any others who will be attending.

Walk to School Week

20—24th May

The nationwide event is organised by walking charity Living Streets and designed to help pupils experience first-hand the importance of walking to school. Children will be well on their way to reaching their recommended minimum 60 minutes of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, but it will also help create healthy habits for life.

This year's challenge, 'The Magic of Walking', encourages children to travel actively to school every day of the week. Meeting various magical beings along the way, they'll learn about the important reasons to walk and the difference it can make for individuals, communities and the planet! Each pupil will be challenged to travel sustainably (walk, wheel, scoot, cycle or park and stride) to school every day for one week using the wallchart and stickers to log their journeys. Each class will work collectively to make as many active journeys to school as possible across the week. Individual activity diaries, daily stickers and end of week pupil rewards will complement this activity, reinforcing the benefits and keeping children engaged.

It would be great if you could arrange for your child/children to travel actively to school on week commencing 20th May, helping our school reduce congestion and pollution around the school gates. In return, your child will earn special stickers and a reward trophy! Walking, wheeling, scooting and cycling all count! If you live far away from school and need to drive or take public transport, try parking the car ten minutes away and walking the rest of the journey.

Year 2 Visitor

Year 2 had a very special visitor this week. Vicky the Hedgehog Lady came to talk to us about the importance of looking after hedgehogs and making your garden hedgehog friendly. We made our own hedgehog highway.

Things you can do to help our prickly friends

Keep a shallow bowl of water in your garden for hedgehogs to drink from

Keep a patch of your garden left with long grass, leaves and logs— a perfect place for hedgehogs to thrive

If you have a fence, cut a 13x13cm hole to allow garden access and to link together as many hog friendly gardens as possible. This creates a hedgehog highway.

Sports Day—Dates for your Diary

Embsay School Sports Day will take place on **Thursday 4th July** on the school field.

Key Stage — 9.15am / Key Stage 1 — 1.15pm

The reserve date will be **Thursday 11th July** at the same times.

Reception Dressing Up Day!

We are planning to have a dress up day for Reception on **Tuesday 21st May**. As part of our learning about growing, we are asking children to come dressed as what they want to be when they grow up. Please don't feel you need to go out and buy a costume for this, we are just focusing on giving the children the opportunity to talk about different things they could be when they are older and think about the different jobs of people around them. Any creative/make do dressing up will be perfect!

Any questions, please just let me know!

If you have any questions about SEND at Embsay CE VC Primary School then please speak to Miss Sanderson

We are seeing an increase in children in school who need some additional support with speech and communication. There are currently 1.9 million children struggling with talking and understanding words in the UK. This equates to one in five children and is the highest number ever recorded. When you're worried about your child's progress in speech and communication, you usually only have their peers or your older children to go by. This can be helpful, but everyone develops at a different pace, so how do you know what is average? A new tool from charity, Speech and Language UK can help. They have developed a free "progress checker" that you can use to either set your mind at rest, or help you understand if there may be an issue that needs following up. Have a look [here](#).

This resource is found on the Special Needs Jungle website—a fantastic resource for all things SEND. Have a look [here](#).

Our end of half term newsletter will be
Friday 24th May 2024

09 May 2024

Dear parents/carers,

UWS 'Big Dig'**Monday 22 July – Friday 26 July 2024**

We are delighted to invite your child to participate in the 2024 Archaeological Big Dig! The event runs from Monday 22 – Friday 26 July.

The Big Dig is a 'Time Team' type activity coordinated by a local archaeology group 'Cravenology'. Students work alongside archaeologists in discovering the history of a particular site. This year the Big Dig will be located at **Netherside Hall** – a former Victorian hunting lodge, where we hope to uncover more of its past and hopefully find interesting artefacts along the way.

The Big Dig is aimed at young people aged 10 - 16 and is open to all children in the local area. Your child will be actively involved in all aspects of the excavation such as digging, cleaning, identifying and recording artefacts as well as surveying, drawing, photographing and much else besides.

In addition to the dig, there will be other activities to participate in, such as nature and fossil hunts, arts and crafts, bushcraft, archery, axe-throwing and shooting!

The 'Big Dig' has run for 14 years and the feedback from participants has always been very positive. For students joining UWS in September it is a great opportunity to make friends with existing students and to meet other new starters along with some of our staff. For those with an interest in history and archaeology it is a unique opportunity to practice 'hands on' history in the company of real archaeologists.

The cost is **£40 per day** and includes mid-morning snacks and drinks. You can book your child on the Big Dig for a week or as little as one day.

All participants must bring along a packed lunch and clothing suitable for outdoor activities (some of which can be very muddy.) The day begins at 9:30 and finishes at 15:30. As always, a good standard of behaviour is expected. Students will lose their opportunity to continue attending if members of staff feel a student's behaviour is unsafe and/or unacceptable.

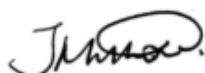

Page | 2

If you would like to book a place, please email me directly on jmitton@uws.n-yorks.sch.uk to request a booking form. Places are limited to 15 participants per day so early booking is advisable. **Payment details will be sent out upon receipt of booking forms.**

If you would like more information, please do not hesitate to contact me.

Best wishes,

Mr Mitton

Do you enjoy **running & swimming?**
 Are you aged 8-18 and thought you might **give triathlon a go?**
 Not sure how to start? Then try the **LBT 2024**
Junior Aquathlon

Sunday the 2nd of June at Leeds University

An aquathlon is a swim followed immediately by a run and the perfect introduction to multi-sport events. The swim takes place in the Edge, a 25m heated indoor pool and the run is on a closed circuit round the university campus with electronic chip timing. This is a great event for all abilities to get involved in the sport from first timers, to athletes who hope to compete for the region. (The race is part of the Yorkshire Junior Triathlon Series). The day is organised by Leeds and Bradford Triathlon Club.

Your age on the 31st December 2024 determines your age-group.

Age Group	Swim Distance	Run Distance
8 years (Tristar Start)	50m swim	600m run (1 lap)
9-10 years (Tristar 1)	150m swim	1200m run (2 laps)
11-12 years (Tristar 2)	250m swim	1800m run (3 laps)
13-14 years (Tristar 3)	400m swim	3000m run (5 laps)
15-16 years (Youth)	400m swim	3000m run (5 laps)
17-18 years (Junior B)	400m swim	3000m run (5 laps)

Prizes are awarded for the first three male and female in each age group. All finishers receive a Medal and Goody bag. No previous experience is required only equipment are trainers and a swimming costume!

"I've seen my child's confidence grow after receiving lots of praise and support when learning new skills. He has developed a better attitude and is now more willing to have a try when he finds an activity challenging. This will definitely help him as he starts school. It's also been lots of fun learning new games together!"

EMBSAY CofE (VC) PRIMARY SCHOOL TAEKWONDO AFTER SCHOOL CLUB

Hi.. I'm Charlotte, 4th Dan black belt and Master in Taekwondo, I am a mum of 2 primary aged children and run a Taekwondo club in Skipton. I am an experienced Martial Arts instructor, having being practicing Taekwondo most of my life and teaching for 15 years.

Does your child get bored with the usual PE activities? Do they have lots of energy to burn?

Why not move away from the traditional football, rugby, cricket and try Taekwondo? Appealing for both boys & girls alike.

Taekwondo is excellent for fitness, flexibility, confidence, for stress & anger management

This is a complete beginners course and no experience is necessary to come and have a go!

TUESDAYS AFTER SCHOOL - 4.20pm finish

Open to KS2 Classes at Embsay Primary

£5 per session, per person.

Bookable by term.

To book, please email me directly.
