Dear Parents or Carers,

We are offering all reception children the chance to learn to ride a bike.

Cycle tutors from Ready, Steady, Pedal will be running these sessions on **Tuesday 4th June and Wednesday 5th June**, which are all about helping your child build confidence and balance on their bike. Some children will learn to ride within one lesson, and others may need a little more time; we will run further sessions for these children.

The children will be taken out in groups over the 2 days to help them learn how to ride a bike. We will only be asking children to bring their bikes in if they can ride and pedal independently, otherwise children will be using Ready, Steady, Pedal bikes. If they can already ride a bike, they will be learning to go around different courses to improve their skills. The children will be doing these sessions in the school playground. We will be asking children to come to school in their PE clothes for both days.

In preparation for your child's Pedal and Scoot days please could we ask you to complete the following form by **Wednesday 29th May**: <https://forms.office.com/e/eKpGAP0WRY>

Many thanks,

Miss Falkner
Reception Class Teacher
