This week, year 2 have been creating their own common exception word graffiti. Using our new chalk pens, we practised writing words which can be difficult to sound out. We had lots of fun!

Don't forget Year 5 start swimming on Tuesday 1st March

The number of cases of Covid 19 in our school remain low – please help us keep our numbers down and minimise the risk of spreading Covid 19

If your child has any symptoms whatsoever that could suggest COVID, they should not attend school and a PCR test should be organised.
If possible, any siblings should undertake daily lateral flow tests.

This half term in PE, Year 3 have been taking part in team building games to solve problems. In these pictures, the children had to get from one side of the room to the other using mats, avoiding the floor and the pirate ship!

Year 1 had a lovely trip to the church this week. They used the vocabulary they had learnt in RE to name the different objects and parts of the church.

In RE, Year 5 have been learning about the 'Big Story' of the Bible and have created some stunning artwork.

Y4 cooking

This half term, Year 4 have been finding out about seasonal food in their DT lessons with Mrs Pettit and using a variety to cook some delicious meals. Last week, we made a tasty delicious vegetable stir-fry and this week, we have made apple crumble.

Congratulations

Well done to Seth B and Ellie W who are winners in the Skipton Rotary Writing competition

Prizes will be presented after half term by Skipton Rotary
