Headteacher: Fiona Prest

29<sup>th</sup> April 2022

The focus for Collective Worship for after Easter is the Resurrection

Year 2 science topic this half term is all about materials and their properties. In our lesson this week, we went on a material hunt around the classroom. We found lots of different types of materials.

## Year 4 Science

Year 4 have been investigating teeth this week. First, they made a map of their teeth to see how many they had and what type of teeth were in their mouths. Then, they made a model out of clay and cotton buds. Once the clay has dried out, they will paint them.

Save the date - Tuesday 24<sup>th</sup> May

As part of our Platinum Jubilee celebrations, parents are being invited into school at the end of the school day

More information to follow

Year 3:

The children have completed some fantastic homework projects about Embস্য over the Easter break from power points to posters and models - well done to all the children in Year 3!

## Topic Plans for this half term are now on the school website

### Mobile phone online safety

Following on from my message about knowing what your child is downloading on their phone, a parent has pointed out that on an iPhone you can use 'Family Sharing' to restrict content and block specific websites such as tiktok (it's done for their account under screen time in settings). You can also set it so you need to give permission for them to download individual apps. When setting up your child's iPhone it will automatically make you set up 'Family Sharing' for you and your child/children. As far as I can see it's not an actual app - it's all done through settings.

Please send me any more tips to help others!

### Diary Dates

Mon 2 <sup>nd</sup> May	May Bank holiday
Tue 3 <sup>rd</sup> May	Yr 3 Swimming
Thu 5 <sup>th</sup> May	Kanga After School Club - Reception and KS1 3:20 – 4:20pm
