

WE NEED YOUR HELP!

WHY?

We're on a mission to make our kids' school days even more fantastic! We're planning to add new goalposts to the playground, bring in a creative theatre workshop to ignite their imaginations, and stock up on fresh phonics books for fun and learning.

SPONSORSHIP OPPORTUNITIES

Support our projects and in return, we'll showcase your business on a big screen at our Summer Fair on 28th June. It's a great chance to advertise to hundreds of local families!

DONATE A PRIZE

Our Summer Fair raffle is a highlight of the evening, and we're looking for amazing prizes from local businesses. It's a perfect opportunity to contribute to a great cause and gain visibility.

HOST A STALL

Share what you do with our community! Stalls are available for a minimum donation of £20. It's a fantastic way to promote your services or sell your products directly to locals

VOLUNTEER

Volunteers are crucial for the success of our Summer Fair. We need enthusiastic individuals to assist with setup, manage various stalls, and handle cleanup duties after the event.

I WANT TO HELP!

We understand that times are tough, and every little bit helps. Any contribution you can make will have a big impact on our kids and is greatly appreciated. Interested in boosting your business and supporting a great cause? Please visit www.embsaypta.org.uk/help3
